## Our **LOVE** for good **FOOD**

### **Our Story:**

In 1999, a single kitchen had a dream. A dream to be the makers, bakers, crafters, and creators of foods and beverages that you know and love. A dream to create countless memories of families and friends connecting over delicious, nutritious, and affordable food products.

20 years later, Foodscape proudly achieved this legacy while being grounded in leadership, trust, and care towards the community, employees, and planet.

Our purpose, process and systems are inspired by sustainability and innovation. We are committed to forging a future where quality food products are accessible our customers come rain or shine.

## Java Coffee Blends

Java House has been passionately serving good, authentic, export quality hand-roasted coffee to Kenyans since 1999. We are now proud to be Africa's favorite coffee brand. Kenya AA Arabica coffee is harvested from rich volcanic soils found in the high altitude regions of Kenya. Our in-house coffee experts lovingly roast the finest Kenya AA beans daily to a nutty chocolate brown color just for you. An intense, balanced coffee with a light, clean finish; perfect for your daily brew. Aromatic, fruity and rich. Take the Java experience home.
